Summary

Passionate about AI/ML, Data Science, Finance, Quantitative Development/Research, and Trading.

Distinguished as a Guinness World Record holder in 2018 at IIT-Bombay for spearheading a remarkable achievement: 'Setting the Guinness World Record for the Most Number Of Solar Lamps Lit for 5 Minutes' alongside an exceptional team.

Was also an engaged member of the 'Atal Tinkering Lab', an esteemed initiative by ISRO focused on nurturing curiosity, creativity, and imagination in young minds. Played a vital role in fostering skills such as design mindset, computational thinking, adaptive learning, and physical computing, while actively contributing to the lab's mission.

Open to collaboration and discussion on startup ideas or any questions you may have. I'm here to listen, provide valuable insights, and be your partner on the path to innovation. Let's connect and embark on an exciting journey of transforming ideas into reality!
